

## Health Care

### Conversation Cards (ADVANCED LEVEL)

This template will help you practice answering questions related to health care.

Please use made-up information to practice if you don't want to share about your own medical history.

|                                                                   |                                                                                       |
|-------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Tell me what is hurting.                                          | Tell me what medicine you need.                                                       |
| Explain your symptoms.<br><br>Tell me what is hurting.            | Are you allergic to any medications?<br><br>How long have you been feeling this pain? |
| Tell me your blood type, your year of birth, and medical history. | Tell me what hospital is nearest to you.                                              |

|                                  |                                         |
|----------------------------------|-----------------------------------------|
| Who are your emergency contacts? | What medicine are you currently taking? |
|----------------------------------|-----------------------------------------|

|                                            |                                         |
|--------------------------------------------|-----------------------------------------|
| Who is your medical insurance provider?    | Do you consume alcohol or smoke?        |
| When did your symptoms start?              | Has your pain improved or gotten worse? |
| Have you had any major surgeries recently? | How is your mental health?              |
